## Isle of Squeak!

From your Con Chair

Hello! I am KiggyLou, a nonbinary person that infrequently parades about as either a Border Collie or Hyena. I hold two BS in Chemistry and Engineering and have worked as a machinist, QC supervisor, production supervisor, among others. I also have volunteered my time at many events and local communities for over a decade. Working as a volunteer within the furry fandom has been inspirational to me and has helped me grow immensely as a person. My desire is to grow with you as a community, and to pay it forward to you all.

I welcome everyone to **AquatiFur 2021**! I am very excited you could make this “Squeaky” convention in the Dells. I am aware how these last 2 years have been a rough voyage for both our fandom and society. Inclusive of these headwinds we’ve experienced; our staff has worked even harder at making AqF ’21 happen this year. I am ecstatic to see conventions are coming back as they are important pieces to our fandom; they bring attendees, artists, dealers, dancers, djs, fursuiters, gamers, panelists, staff, sponsors, and many other groups together into what we call a furry convention.

I would also like you to know that this event is what it is through the community surrounding it and all its attendees. Oftentimes these conventions are events we look forward to every year, they can be landmarks for us to pin our cherished memories. They help us feel whole, and although we have been without cons for a while. In order to protect our ability to host future events I urge everyone to thank everyone for being here, for working so hard, for staying masked up, and just being the awesome critters I know you all to be.

With Kindness and Love,

*KiggyLou*

# Guests of Honor

**Inkmaven** is a Wisconsin based illustrator. Originally from Minnesota, she became interested in anthro and furry art watching cartoons as a kid and doing art for online petsites. By high school, they finally had a name to put to the fandom and began to sell commissions as a freelance artist primarily to a furry audience.

Now a graduate in Game Design, Ink sells their artwork on shirts, prints, stickers, lanyards, and attends conventions fulltime as a freelance illustrator. They have been a local to the WI area and romping around in MN/WI furry spaces for the past 8 years.

In the fandom since 2012 **Phenod** has worked to design custom inflatable vinyl pool toys to suit our furry world. While constantly negotiating for stronger seams and more variability in designs Phenod has pushed the limits of the art form and physics to a new level. Having created toys that will stand up to the abuse that only a fursuiter can dish out. These toys are also the only fursuiter sized objects you can find at a convention. While previously a consultant in 2016 he started to run his own company PhenodToy.com with his first production being a 7 foot Deer toy. In 2018 however the CampFire in Butte county California almost took that away when his home and much of the business was destroyed by fire. Thanks to support from the furry fandom and the inflatable fandom Phenod was able to make a comeback. As thanks for this, PhenodToy actively works with conventions US wide to host panels, spreading the joy that can only come from hugging an 8 foot unicorn or lounging on a massive inflatable dragon.

Phenod toy is now one of the largest producers of custom inflatable toys for the furry fandom focused on opening up the art medium to anyone who wants a copy of their pool toy self.

# Charity

Feathered Friends Sanctuary & Rescue is a 501(c)(3) non-profit organization located in Edgerton, Wisconsin. For nearly twenty years, we have been committed to providing a safe haven for homeless parrots living in captivity. This includes proper veterinary care, nutrition, socialization, physical and mental stimulation, clean spacious living areas, and educated adoption guidelines.

Our mission is to give these beautiful and intelligent beings a life worth living. We will do whatever needs to be done to ensure that we accomplish this very important goal. Many birds will need our care indefinitely — some for the rest of their lives. We don't profit from placing birds and have no paid staff. Everyone associated with Feathered Friends Sanctuary & Rescue is a devoted volunteer.

We function solely on private donations and adoption fees. Donations and contributions are always needed and welcome. Every dollar that Feathered Friends Sanctuary & Rescue brings in is used to promote our mission and provide for parrots in need.

Each round will consist of dancers going two times in 30 second increments. After each round the judges will vote which dancer they wish to proceed to the next round. These rounds will continue until one dancer in each division emerges triumphant. However in the Charity Dance Off there is more than one way to get a winning prize. Competitors are not only dancing for a first place trophy, but also to raise money for our wonderful charity.
